

**PRAYER for the WELL-BEING
of all residents of ST-PIERRE-JOLYS**

O Father, we want to bless you with our prayers
for our friends and our neighbors.

We come humbly before you with our petitions.
In the name of Jesus, we ask you
to come to our aid.

We know You are all-powerful and can heal all illness.
We ask you to send your angels to surround and protect our town from this
terrible disease, the Covid-19.

Please grant special protection to our elderly who are the most vulnerable.
Be a support for those among us who are more disadvantaged.
Grant wisdom to all our citizens that they may respect regulations.

Send your Spirit, Lord,
that we may find creative ways to spend our time
and be innovative in coming to the assistance of our loved ones.
May this hardship provide us with the opportunity
to strengthen family bonds and other relationships.

We thank you Father
for being ever present and for being our strength in this time of crisis.

Amen

You are invited to say this prayer daily
