It is to be clearly understood that the author, in producing such drawings, shall not be liable for any and all loss, damage or injury that may result from the drawings themselves, or from the construction work produced from the plan, or from any claims that may result subsequent to the project being constructed and use commencing on the site, whether such claims are brought by persons using the site, or by the owners or authors of neighbouring properties.

Should any claim be made directly against the author as a result of the drawings themselves, or as a result of the way in which the project is constructed in accordance with those drawings, or as a result of any loss, injury or damage that may be sustained either on the site or outside the boundaries of the property or person, the author is to be indemnified by the Owners in full, including the costs of defending any actions brought against the author or the costs of paying any settlement entered into by the author, or settling any judgments made against the author.

No reproductions may be made without the permission of the Landscape Architect and when made, must bear his / her name. Any and all designs herein are the property of the Landscape Architect. If stamped and dated, the designs herein are licensed for construction, once only. All print are to be returned to the Landscape Architect on request.

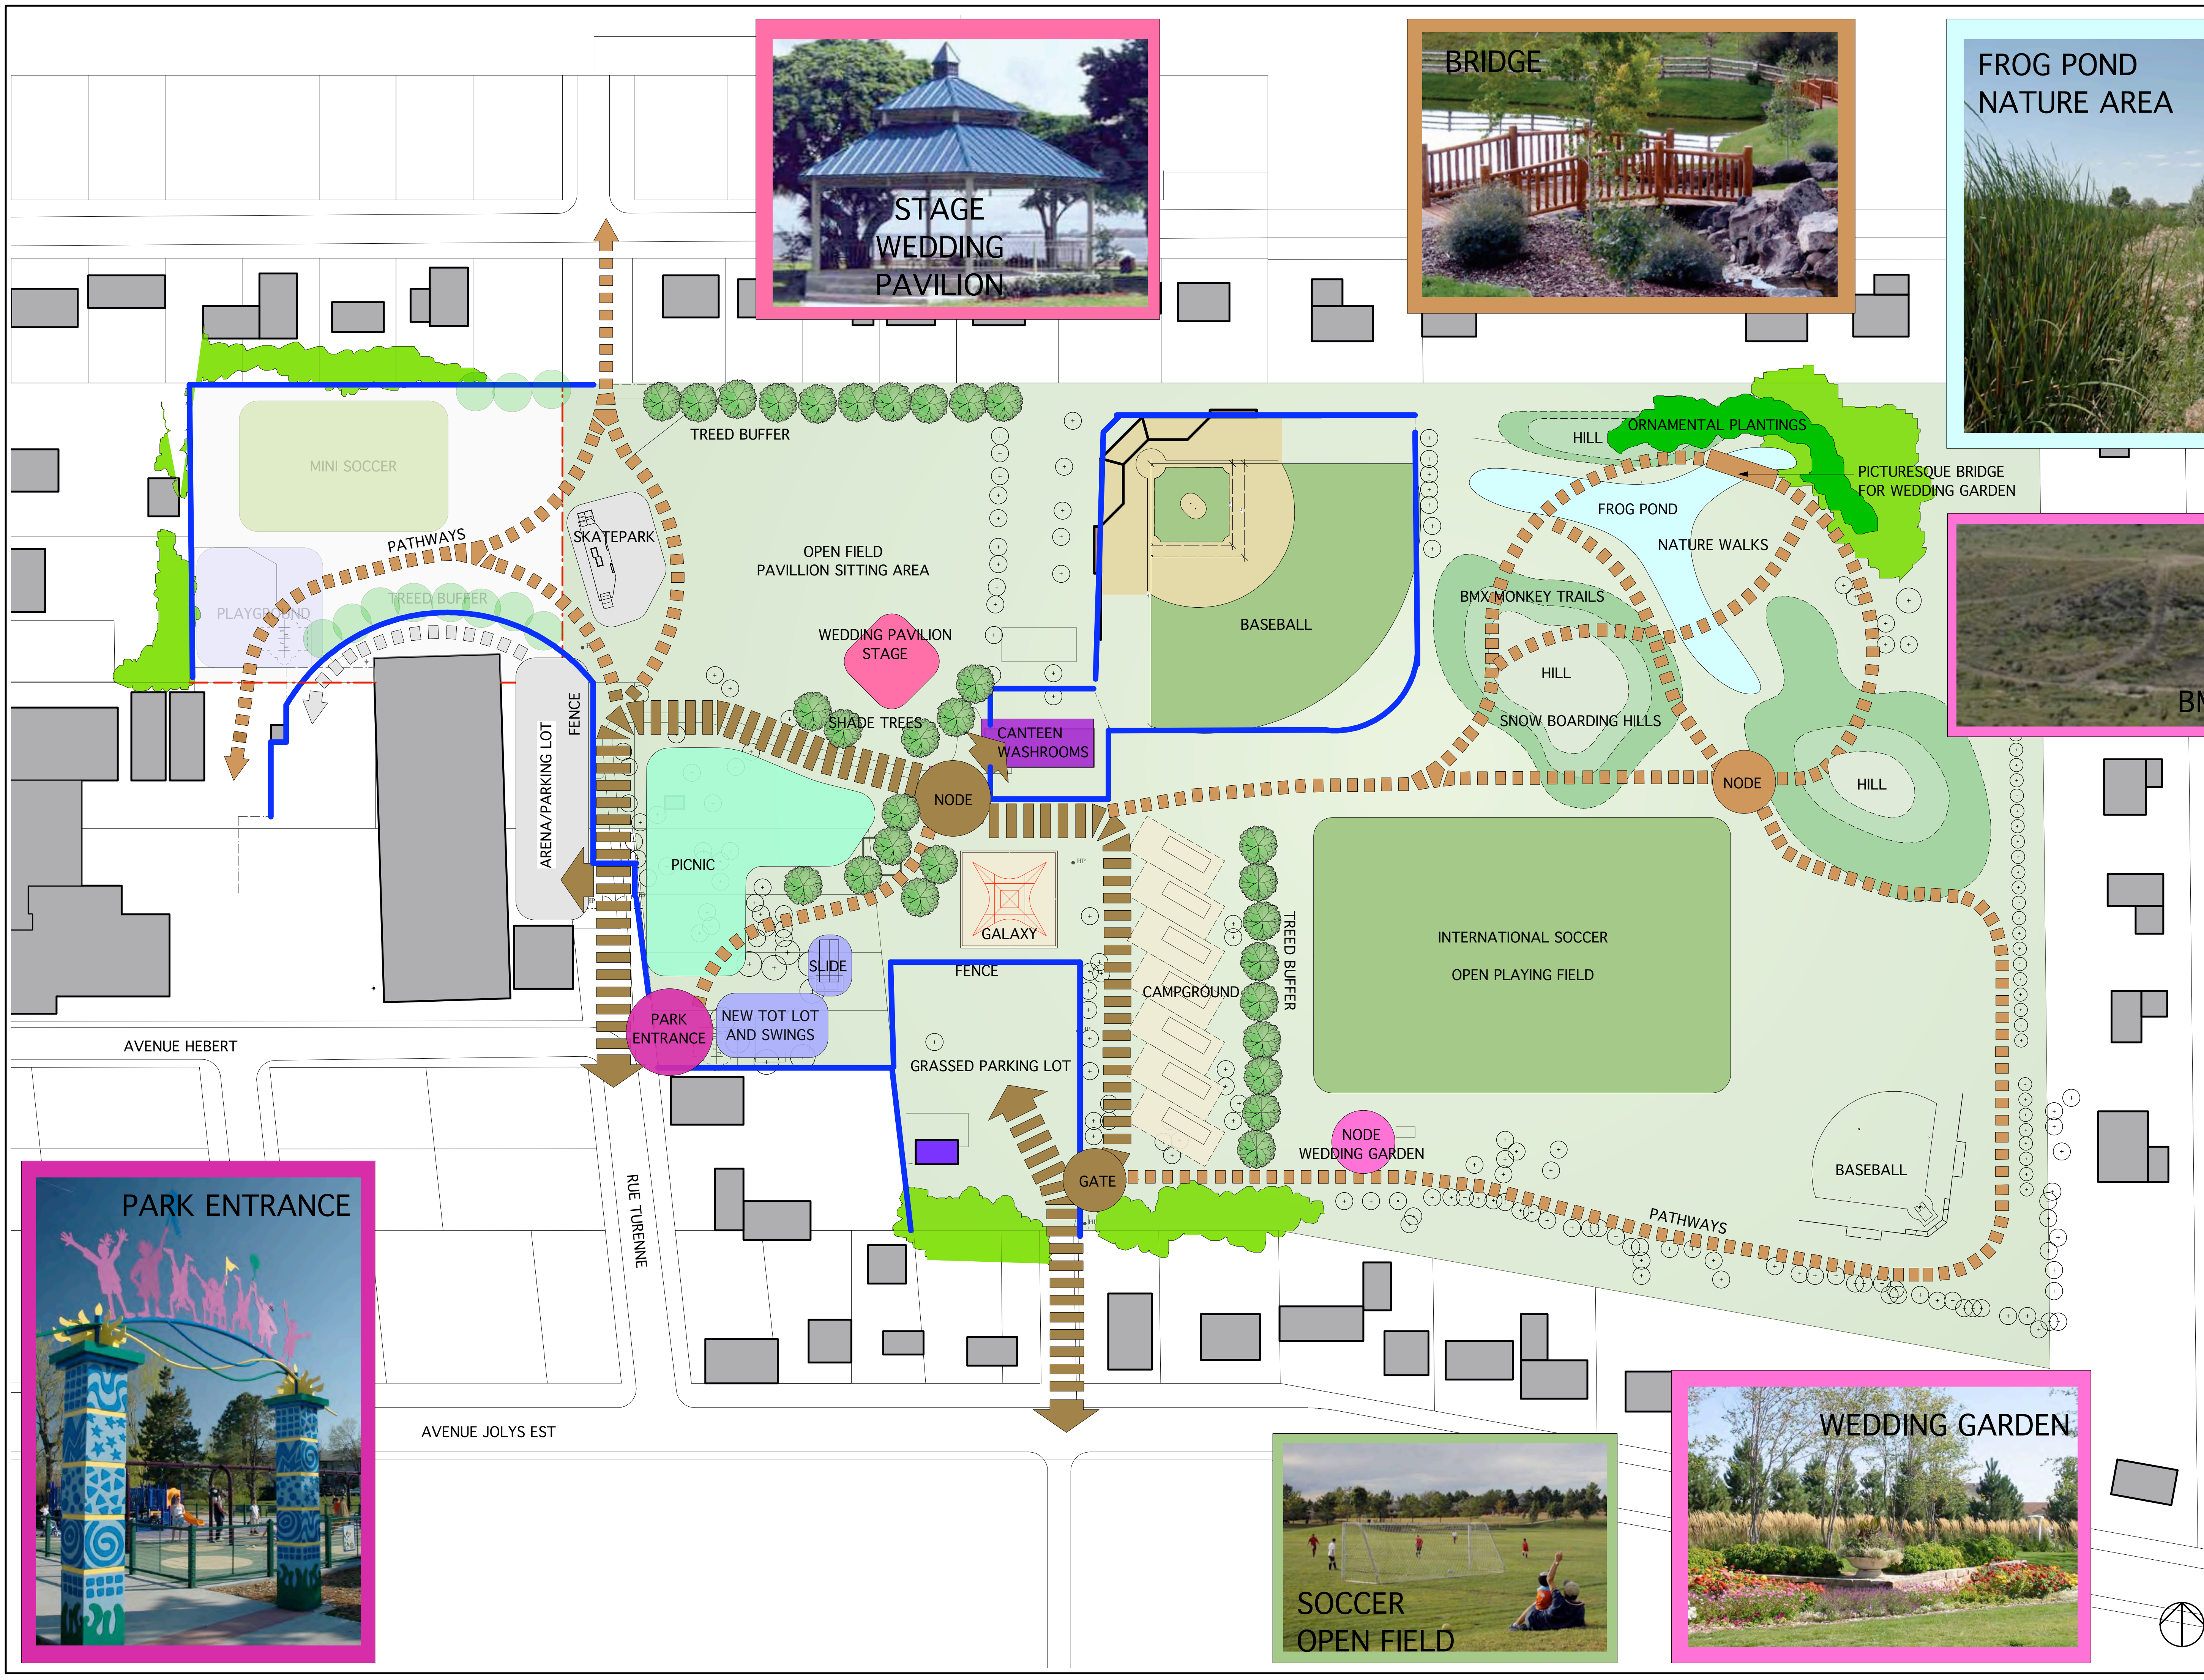

This drawing shall not be used for building purposes until Counter-signed by the Landscape Architect.

The contractor shall check all dimensions and other data on site and report any discrepancies to the Landscape Architect.

Figured dimensions to be taken in preference to scaled dimensions.

If in doubt please ask.
