PRE APPLICATION FORM

In advance of making a formal development application, a prospect applicant may submit a “Pre-Application” which is a draft form of a potential development application whereby preliminary, written input can be obtained from the Village. A Pre-Application may be submitted by:

- The owner or owners of the site, or
- Any person on behalf of the owner or owners of the site with each owner’s signed permission (i.e. Letter of Authorization).

An applicant may submit a Pre-Application for the following application types:

- A rezoning
- A subdivision
- A variance
- A conditional use
- A secondary plan
- An amendment to an existing agreement imposed as a condition of approval of a previous development application
- An amendment to the Development Plan or Zoning By-law, or
- Any combination of the above.

We recommend that you arrange an appointment with the Economic Development Officer to discuss your application. To schedule a meeting, please call the CAO’s office at 204-433-7053 or email at acao@villagestpierrejolys.ca

You may also complete a Development Inquiry form at www.villagestpierrejolys.ca/p/economic-development and submit to the email address above.

The outcome of a Pre-Application review does not imply or suggest a commitment or decision by the Village to either approve or reject a proposal. An administrative fee of \$50.00 is applied to each Pre-Application.
