### **Message from the Mayor:**

Goodday!

It's now June, although you wouldn't know that by the weather and yet you would depending on the day!

A lot has happened in May. Here are some just to name a few:

- Financial Hearing on May 17th
- A company has come to check on the drainage that I spoke about in my last letter
- Valley Fiber is making good progress on the installation of the Fibre Optic Line
- Hydro seeding has been completed on the toboggan hill in the park

Upcoming for June:

- Tenders are going to be sent out for bids on the sewers repairs on 59, Jolys Ave East & West and to the first manholes on every street off Hwy 59.
- Ongoing grass cutting and general maintenance
- Bi-election will be held on June 17 and we have two great candidates. We have a new method of voting this time, you can vote by sending in your ballot by mail. Call or email the office to get the information on how to vote by mail. Make sure you vote!

COVID continues to create havoc in our lives but, as I have been saying, if we continue to do the proper things (2 meters distance, wear your masks, sanitize often and limit your contacts) we can beat this. Everyone should now be eligible to get the vaccine so please book your appointment. The more of us that get vaccinated the less chance there is of getting seriously ill if you do get the virus. The Southeast has one of the lowest vaccinated populations. Let's get together and do our part to change that.

Dates to remember:

- June 1 - National Go Barefoot day
- June 4 - National Doughnut Day (Go to St-Pierre Bakery and get one of their awesome doughnuts)

- June 6 - National Cancer Survivors day
- June 7 - National Chocolate Ice Cream day ( go to the Routier or St.Pierre Bigway for your chocolate treat)
- June 16 - National Fudge Day
- June 20 - Father's Day
- June 22 - National Onion Rings day ( Go to Lucky Lucs for your take out order of Onion Rings)
- June 30 - National Meteor Watch Day

I hope you all have a great month of June and thank you for reading our Newsletter.

## **COVID-19 Information**

The Village office is open to the public. Only one person in the office at a time. The drop box is still available at the entrance during business hours. We also accept e-transfer payments sent to [info@villagestpierrejolys.ca](mailto:info@villagestpierrejolys.ca). Thank you for your understanding.

The Village of St-Pierre-Jolys is still in code red. You may be tired of staying inside or following physical distancing procedures, but we must continue to follow these measures to stay safe. We will get through this together!

For trusted information regarding COVID-19, look no further than the Village website COVID-19 page. [Click here](#) to find local, provincial and national information regarding this pandemic.

## **Recycling in the Park**

We have noticed more and more garbage and dog poop being put into the recycling bins in Carillon Park. We ask you to please only use the recycling bins for recyclable items. once there is one item of garbage in the bin, the whole bin needs is then contaminated and considered garbage. There are garbage bins in the park, please use them!
