Mayor's Message

Hello,

Wow, what a beautifully warm October! I hope you took the time to enjoy the outdoors.

Let's start by talking about what's on everyone's mind, construction! When is it going to end!!! Why are we ripping up the Main Street when it was just repaved recently.

Well, the open cutting construction should be done very soon. We were expecting it to be completed by the end of October but, with all construction projects, things happen that create delays that are beyond our control. The next step is the re-lining of the remaining sewer system slated for repairs. This will be less invasive and shouldn't cause too much problems traffic wise.

Why did we wait until the Main Street was paved before ripping it up? The paving was out of our control as this was a Manitoba Infrastructure project and the fact that it takes a long time for all the engineering plans, tendering and acquiring grants to be able to do a project of this magnitude. We have a very tight budget and have to pick and choose what we can do year after year. We were able to secure a 50% grant for this project saving our residents over \$500,000.

Remembrance Day is fast approaching and again due to COVID Council has decided to do the same as last year and post a video. This is a new video, so make sure you take the time to look at it and remember those who have lost their lives to give us the freedom that we have today.

Council would like to welcome Janique Lariviere as our Junior Councilor. We look forward to the input from the youth in our Village. What would they like to see or have in our community?

Dates to Remember:

If you like our Newsletter, please tell everyone you know to subscribe. If you don't, send us an email to let us know how we can make it better. The residents want more communication and this is one of the many ways that we have to tell our residents what's happening. We currently only have around 30 residents subscribed and 5 of them are from Council. We would like to see the number in the mid 100's at least.

Happy November and remember to practice safe distancing, wash your hands frequently and wear a mask when required.

Winter is Coming

After fall, comes winter. Let's clean up our yards before the snow

comes. Let's make our Village look great with the colours of the leaves! **A reminder that bags of leaves do not go into the branch depot. You can throw your bags of leaves in with your garbage.**

Cemetery Information

No one enjoys thinking about making these arrangements, but they need to be done. Call Nicole at the Village office to get all the information you need on the St-Pierre cemetery.

Shop Local Campaign

St-Pierre En Boom has begun a shop local campaign to encourage our residents to visit our wonderful local shops! Visit their facebook page for more information and a chance to win some prizes! <http://villagestpierrejolys.ca/m/stpierreenboom>

Feline Animal Control

The Village Council is looking at adding felines to the animal control by-law in the new year. This means cats will now need to be registered as well as dogs. For more information you can contact Tina at the Village office at cao@villagestpierrejolys.ca.

New Parking Signs

New parking signs have been installed around the Village:

- Jolys Regional Library: 30 minute parking only
- St-Pierre Manor: 15 minutes loading zones

Starting December 1st, there will be no parking allowed on Turenne Street.

Credit Card Payments Via Optionpay

The Village of St-Pierre-Jolys now accepts payments by Credit Card through Optionpay. You can learn more about how to do so by visiting our [website](#).

We appreciate everyone's patience and understanding during this year of construction and maintenance work. We would like to

thank all of our amazing residents for this. We understand that there has been plenty of disturbances during the summer months and going into fall. We expect this to continue into November. Everything being done has been a long time coming and is great for the Village and our aging infrastructure.

Building Permits

For all your building permit needs and questions, please visit our website or contact Nicole at acao@villagestpierrejolys.ca.

Welcome to our new fire inspector, Marc Proulx!

The arena is now up and running for the winter season! For any rentals, you can visit our website at <https://www.villagestpierrejolys.ca/m/st-pierre-district-recreational-centre/>
