

## St. Pierre Jolys Active Transportation Survey (Businesses / Developers)

Active transportation is a "human-powered" way to travel and includes walking, cycling, inline skating, as examples, as well as travel with the use of mobility aids such as motorized wheelchairs. The Village of St. Pierre Jolys is undertaking an Active Transportation Plan (ATP). The ATP will guide how St. Pierre Jolys builds and maintains active transportation facilities in the coming years. R.J. Burnside & Associates Ltd. is conducting this survey on behalf of the Municipality. Should you have any questions about the survey or project, please feel free to email Tina Bubenzer at [cao@villagestpierrejolys.ca](mailto:cao@villagestpierrejolys.ca) or call 204-433-7832.

Your thoughts are important. Your name and contact information will **not** be collected. No identifying information will be kept. Responses will be tallied and reported to help improve active transportation within the community.

The survey will take approximately 5-7 minutes to complete. All questions are optional.

1. What mode of travel is most commonly used by your patrons / customers / clients?

- Active Transportation (walking, cycling, rollerblading, skateboarding etc.)
- ATV / snowmobile
- Automobile
- Other

2. Are the sidewalks and paved areas surrounding the business or development maintained sufficiently to facilitate active transportation activities?

- Yes
- No
- yes seasonally, winter maintenance is a concern

3. Are there any areas near your area of business or development which may present a safety hazard to a pedestrian who may be participating in active transportation (i.e. walking, cycling, skateboarding, rollerblading, etc.)?

4. Does the preferred mode of transportation for patrons / customers / clients change seasonally (winter vs summer)?

Yes

No

5. If the answer to the previous question was yes, please explain what mode of transportation is mainly used during each season.

6. Does your place of business or development have adequate parking? (do patrons find a space easily when looking for parking?)

Yes

No

7. Does your place of business or development have bike racks?

Yes

No

8. Would your business or development be willing to add bike racks?

Yes

No

9. Would your business or development be willing to sponsor or adopt a trail?

Yes

No

Other

10. Please add any additional suggestions about active transportation within St. Pierre Jolys.
